Program Descriptions

EXPLORE NATURE HIKE

Take a hike with us through the woods as we explore the Natural World with guided walks, games, and activities. Each week we will cover a different topic from creepy crawlies to trees, to birds.

Meet at the Visitor Center. Appropriate for ages 6 and above. Approximately one mile over easy to moderate terrain.

FITNESS HIKE

Why pay for a gym when you can exercise outdoors? Hike with us and use the exercise equipment along the way.

Meet at the Visitor Center. Appropriate for ages 16 and above. Talk to a doctor before starting any exercise routine.

KIDDLEIDOSCIPE

Join us each week for Kiddleidoscope! We will read a short book, followed by a light outdoor activity or a hike. Afterwards, enjoy a kid-friendly craft that relates to the story. Each week has its own theme, so stop by often!

Meet on the Visitor Center deck. Deigned for ages 3 to 6. Siblings are welcome. During inclement weather this will be held in the Visitor Center.

MOBILE NATURE CENTER

We bring the nature center to you! Check out pelts, skulls, and other items related to the animals that live in the park. Stay for five minutes or an hour! Bring your questions.

Meet on the path next to the beach. Suitable for all ages.

SUPER SENSES HIKE

Come join us as we walk the Woodland Trail and explore our 5 senses. See how our senses relate to the animals that call the woods home.

Meet at the Visitor Center. Appropriate for ages 4 and above. An Alternate program will be held at the Visitor Center during inclement weather.

THE FALLEN LOG

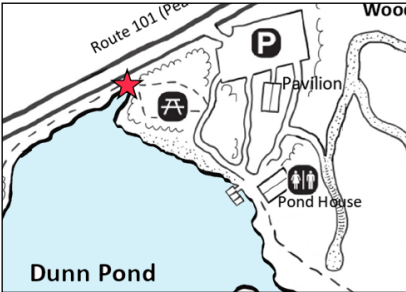

It's amazing how many things live in and on rotting logs. We will take a close look at some fallen logs and see what kind of insects we can find. Be ready to get your hands dirty!

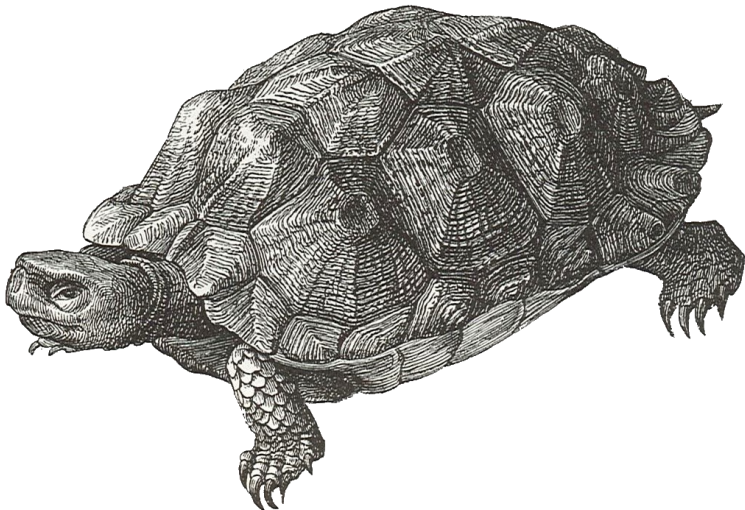

Meet at the Visitor Center. Appropriate for ages 6 and above. About one mile over easy terrain.

MUCKING ABOUT

Take a peek under the surface of the Dunn Pond! Explore the bugs, tadpoles, newts and other creatures that live here. We'll use nets and buckets to catch (and then release!) some cool critters. Stay for five minutes or the whole time.

This program takes place at the northeast corner of the pond (marked by a red star). Follow the signs to get there. Appropriate for ages 6 and above.
